

# AVAILABLE PROGRAMMES

## BSc Computer Science

### ADMISSION REQUIREMENTS

1. Candidates must possess a minimum of Third Class Honours or Pass Degree or HND in relevant disciplines from recognised institutions.
2. Candidates must show evidence of completion of the NYSC or Certificate of Exemption.
3. In addition, candidates must possess, in not more than two sittings, at least five O' level credit passes in English Language, Mathematics, Physics, and any other two subjects as stated below:

## BSc Mathematics

### ADMISSION REQUIREMENTS

1. Candidates must possess a minimum of Third Class Honours or Pass Degree or HND in relevant disciplines from recognised institutions.
2. Candidates must show evidence of completion of the NYSC or Certificate of Exemption.
3. In addition, candidates must possess, in not more than two sittings, at least five O' level credit passes in English Language, Mathematics, Physics, and any other two subjects as stated below:

## BSc Industrial Chemistry

### ADMISSION REQUIREMENTS

1. Candidates must possess a minimum of Third Class Honours or Pass Degree or HND in relevant disciplines from recognised institutions.
2. Candidates must show evidence of completion of the NYSC or Certificate of Exemption.
3. In addition, candidates must possess, in not more than two sittings, at least five O' level credit passes in English Language, Mathematics, Physics, and any other two subjects as stated below:

## BSc Microbiology

### ADMISSION REQUIREMENTS

1. Candidates must possess a minimum of Third Class Honours or Pass Degree or HND in relevant disciplines from recognised institutions.
2. Candidates must show evidence of completion of the NYSC or Certificate of Exemption.
3. In addition, candidates must possess, in not more than two sittings, at least five O' level credit passes in English Language, Mathematics, Physics, and any other two subjects as stated below:

## BSc Botany

### ADMISSION REQUIREMENTS

1. Candidates must possess a minimum of Third Class Honours or Pass Degree or HND in relevant disciplines from recognised institutions.
2. Candidates must show evidence of completion of the NYSC or Certificate of Exemption.
3. In addition, candidates must possess, in not more than two sittings, at least five O' level credit passes in English Language, Mathematics, Physics, and any other two subjects as stated below:

## BSc Zoology

### ADMISSION REQUIREMENTS

1. Candidates must possess a minimum of Third Class Honours or Pass Degree or HND in relevant disciplines from recognised institutions.
2. Candidates must show evidence of completion of the NYSC or Certificate of Exemption.
3. In addition, candidates must possess, in not more than two sittings, at least five O' level credit passes in English Language, Mathematics, Physics, and any other two subjects as stated below:

## BSc Physics

### ADMISSION REQUIREMENTS

1. Candidates must possess a minimum of Third Class Honours or Pass Degree or HND in relevant disciplines from recognised institutions.
2. Candidates must show evidence of completion of the NYSC or Certificate of Exemption.
3. In addition, candidates must possess, in not more than two sittings, at least five O' level credit passes in English Language, Mathematics, Physics, and any other two subjects as stated below:

## BSc Geophysics

### ADMISSION REQUIREMENTS

1. Candidates must possess a minimum of Third Class Honours or Pass Degree or HND in relevant disciplines from recognised institutions.
2. Candidates must show evidence of completion of the NYSC or Certificate of Exemption.
3. In addition, candidates must possess, in not more than two sittings, at least five O' level credit passes in English Language, Mathematics, Physics, and any other two subjects as stated below:

For Society and Development

# BSc Biochemistry

## ADMISSION REQUIREMENTS

1. Candidates must possess a minimum of Third Class Honours or Pass Degree or HND in relevant disciplines from recognised institutions.
2. Candidates must show evidence of completion of the NYSC or Certificate of Exemption.
3. In addition, candidates must possess, in not more than two sittings, at least five O' level credit passes in English Language, Mathematics, Physics, and any other two subjects as stated below:

# BSc Statistics

## ADMISSION REQUIREMENTS

1. Candidates must possess a minimum of Third Class Honours or Pass Degree or HND in relevant disciplines from recognised institutions.
2. Candidates must show evidence of completion of the NYSC or Certificate of Exemption.
3. In addition, candidates must possess, in not more than two sittings, at least five O' level credit passes in English Language, Mathematics, Physics, and any other two subjects as stated below:

Others are:

### School of Agriculture, Food and Natural resources:

- B Agric Agricultural Economics and Extension
- B Agric Animal Production and Health
- B Agric Crop Soil and Pest Management
- B Tech Food Science and Technology
- B Tech Fisheries and Aquaculture technology
- B Forestry Wildlife and Environmental management

### School of Management Sciences:

- BSc Accounting
- BSc Business Administration
- BSc Project management
- BSc Entrepreneurship

### School of Engineering:

- B Eng Civil Engineering
- B Eng Electrical and Electronics Engineering
- B Eng Mechanical Engineering

## Method of Application

*(Please note that Bank charges are applied)*

- Visit <https://topup.oaustech.edu.ng>
- Click on **Start Application**, then Select **Create Account**
- Fill-in (**Surname, Other names, Email Address, Phone Number, Gender, Username, Password and Programme**), then submit.
- Login to your account
- Select **Payment Menu**
- Fill in (**Payment Type** (Application), **Level** (Applicant), **Student Status** (applicant), **Session, Semester**), Then click on **Get/View Amount**
- **Click Pay Online button** (Make payment via remita) { Card, Bank Account, Bank Branch, USSD, Bank Transfer, etc options)
- On successful payment, **Goto Application menu**, select **Application Form** and fill the form (**Note: Application form cannot be EDITED once submitted.**)
- After filling the application form, Goto **Application menu again** and select Document upload Upload (**Passport Photograph, O'level Certificate(s), Birth Certificate & NYSC Certificate**)  
Preview/Print Filled Application form
